- We are asking that parents and families arrive 10-15 minutes before the designated delivery time
- Meal stop times are approximate, we may need to revise the delivery schedule and stops as we continue. Please check our website frequently for updated times and routes.
- Parents or a responsible adult are encouraged to accompany students to delivery stops in order to assist with safety and supervision; however, this is not a requirement. Students must be present to receive a meal.
- Safety will be of upmost importance as we implement this system. We ask for your support in this effort.
