July 9, 2020

Parents, Guardians, Student-Athletes and Coaches:

As per Governor Lujan-Grisham's press conference in response to the rise in positive COVID-19 cases, it has been determined that fall contact sports will be delayed to a date to be determined. All other fall sports including volleyball and cross country will proceed with their season preparation in anticipation of a full season for those student-athletes.

The NMAA will be sending out new summer guidelines tomorrow. They are requesting clarification as to whether student-athletes need to wear masks when practicing, and if football may continue summer workouts. The goal remains to have ALL sports in the 20-21 school year.

We will continue to follow the prescribed procedures given by the CDC and the Department of Health to ensure our student-athletes and coaches stay safe and healthy.

If you have any questions, please feel free to contact me at 505-927-8836.

As always, thank you for your continued support.

Ira Harge, Jr., Espanola Valley High School Athletic Director
