

Welcome Back

Student Wellness

LANL Backpack Donation

Kayla Norris Community Outreach Specialist from Los Alamos National Laboratory's delivered 60 backpacks filled with supplies.

The EPS Student Wellness Department oversees the development, direction, implementation of all programs and services related to student health and wellness.

This department also oversees the district wellness policy, Homeless education services, and COVID reporting.

New AED's have been placed at schools

Are you Ready?

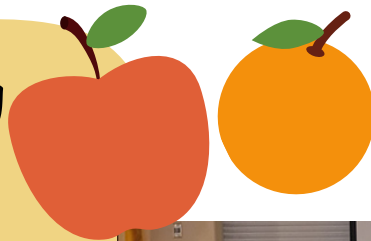

Espanola Public Schools had a booth at The Backpack give away event at The Mission Convento July 30, 2022

Thank You KDCE & Del Norte

KDCE & Del Norte Credit Union also donated small pouches with dry erase markers and white boards to all 1st & second grade teachers in our district for use in their classroom.

Student Wellness Staff attending the American School Health Conference this summer.

Student Wellness Staff attending Defensive Driving Training
